

Richard Burger
Chiropractor

Dr. Burger DC, CCSP, DIBAK, has been the team doctor to university track and field, cross country, and professional triathlete teams. He was also the team chiropractor for the 1995 Young America Syndicate America's Cup Challenge.

His credentials include certification as a Chiropractic Sports Physician and a Diplomate in Applied Kinesiology which is the highest level of academic achievement in his specialty.

After completing his undergraduate pre-med training at San Diego State University, Dr. Burger graduated from the Los Angeles College of Chiropractic as the Valedictorian, first in his class of over 100. He has over 40 years of practice experience in Pacific Beach.
