

Harvey Getzoff
Chiropractor

Dr Getzoff was certified in Sacro Occipital Technique (SOT) in 1981 by Dr DeJarnette (founder and developer of SOT) and the SOT organisation. He became a board certified Craniopath by the International Craniopathic Society in 1982. And later received his Fellowship and Diplomatic status in SOT in 1990 also by the International Craniopathic.

He co-authored a series of three articles in the Journal of Manipulative and Physiological Therapies (JMPT) titled 'The Dental/Chiropractic Co-Treatment of Structural Disorders' from 1994 thru 1996. He also authored four papers, on SOT, in the Journal of Chiropractic Technique and one paper in the Journal of Chiropractic Medicine. Dr. Getzoff authored the book 'A Practical Guide to Cranial Adjusting published in 1996.

He has been a lecturer for SOT organisations throughout his career.

From 2020 through the present Dr Getzoff has authored 13 papers published in the Asia Pacific Chiropractic Journal outlining the methods, the order and a contextual understanding of SOT Chiropractic.

He practiced SOT Chiropractic From October 1973 to December 2019 in Marlton NJ.
