

Olegs Sukhorukov  
Orthopaedic Trauma Surgeon; Spine Surgeon;  
Manual Therapist; Applied Kinesiologist

Oleg Sukhorukov is an orthopaedic trauma and spine surgeon, manual therapist, and applied kinesiologist based in Riga, Latvia. He graduated from Riga Medical Institute in 1983 and later specialized in traumatology, orthopaedics, spinal surgery, manual therapy, and applied kinesiology.

Since 2011, he has held Diplomate status with the International Board of Applied Kinesiology (DIBAK).

Olegs is a certified ICAK instructor, serves on ICAK international examination committees, and is Chairman of ICAK-Balticum. Sukhorukov has taught applied kinesiology internationally, including in Latvia, Lithuania, Belgium, Greece, South Korea, and Russia, and is Chief Physician of the VOKS Medical and Educational Center.
